Guidance for meeting participants

1. We understand that there are opposing views and many questions. Please be respectful so people have the opportunity to hear presentations and make comments.
2. The Neighborhood meeting is intended for people to hear about the applicant's request and for constructive public comment to be heard. It is not intended to be a question-answer style of meeting.
3. No motions or decisions on the applicant's request will be made by the Plan Commission at this meeting.
4. This is not the only meeting in which this request will be heard. The Plan Commission will be holding a Public Hearing meeting that will be scheduled at a later date. This meeting will be advertised and notice provided.
5. We want to be respectful of everyone's time. The time periods for each presentation in the agenda will be monitored. We want to hear from as many from the public as time will allow. We ask that all speakers keep this in mind in order to allow as many people as possible an opportunity to engage.
6. Signs, banners and other large props will not be allowed in the meeting room so that everyone will have clear view of presentations.
7. Food is not allowed in the meeting room.
