I hereby certify that I have the authority to bind the named applicant and the owner of the facilities being installed under this permit to the terms, conditions and requirements of this permit. I have reviewed a copy of the code and fully understand all requirements of Porter County Unified Development Ordinance Chapter 8 concerning the permit and construction process and requirements. I also certify that I, the applicant and all persons performing the work authorized by this permit understand all requirements of the above referenced code and permit and will abide by all of the requirements and conditions. I further certify that I, the applicant and any persons performing the work authorized by this permit will not make any changes from the approved plan and permit without receiving written permission from the Porter County Highway Engineering Department. The applicant and owner agrees and understands that Porter County does not warrant the accuracy of the limits of the right-of-way shown on this permit and further that Porter County's approval is limited to conveying it's approval to install the approved facilities only within legal road right-of-ways. If the facilities as shown on this permit are not within legal road right-of-ways, it shall be the applicant's duty to obtain the proper legal access to the property to install said facilities as shown on the plans. The applicant and owner agree to pay all attorney's fees, court costs and other damages or costs incurred by Porter County in enforcing the terms of this permit, enforcing the County Code or which are a result of litigation incurred by the County as a result of this permit. The applicant and owner of the facilities being installed under this permit understand that in the event Porter County determines that any of the facilities installed under this permit need to be repaired, relocated or removed from the right-of-way, that the owner or any subsequent owner of the facilities agrees to do so in a timely manner at no cost to Porter County or it's successors. The applicant and owner agree that commencement of work covered by this permit will serve as our acceptance of all terms, conditions and requirements of the approved permit. I understand that this permit does not authorize the cutting of any road pavement for any purposes.

I have attached a construction drawing to this application which is dated: \_\_\_\_\_
